

Now Actually HR Training and Education

Explore the employee lifecycle with expert HR training

Have you or someone on your team been tasked with managing HR operations, but have no knowledge or experience? Or perhaps there's an appetite to leverage HR in your business, but you don't know where to start? Or maybe there's already amazing baseline HR skills, knowledge and experience in place, but there's a desire to learn more? We've got you covered.

HR training and education with Now Actually is designed to do all of that and more in a supportive, nurturing and professional way. We'll show you how to be people-first *and* compliant so you can mitigate business risk and create a great culture at the same time.

Why train your team?

Many businesses aren't aware of the value and support that solid HR foundations can offer if implemented in the right way.

That's what our HR training courses can show you how to do. We don't cut corners or offer a 'silver bullet' - we'll give you real-world training to prepare you for getting the most out of yourself and your team at work.

The benefits of HR training courses with Now Actually

Increased confidence in handling HR tasks

Improved ability to navigate complex workplace situations

Enhanced understanding of legal compliance in HR

Better alignment of HR practices with business goals

Education and insights from an experienced HR Partner

Get to know the proven HR tools, processes, and knowledge to boost workflows

What you'll learn

Many businesses aren't aware of the value and support that solid HR foundations can offer if implemented in the right way.

That's what our HR training courses can show you how to do. We don't cut corners or offer a 'silver bullet' - we'll give you real-world training to prepare you for getting the most out of yourself and your team at work.

Our methodology

Delivered online, we'll design program to fast-track the HR capabilities of your business now, and into the future.

Whether you're at day one or approaching the last days of your working life, we'll craft the right fluid and flexible program that adapts to your learning and/or any real-life hurdles that show up along the way.
